#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

The courses offered at the Institution are based on the curriculum designed by Kakatiya University Hanamkonda. The college has created an ecosystem for transformation of curriculum towards outcome-based education. We empower students to become good citizens, teachers, entrepreneurs, scientists, soldiers, and administrators with motivation. Some of the common outcomes outlined for the programs of study offered at the College are: knowledge acquisition, analytical skills, application of knowledge and problem solving, etc. Our college organizes several academic events such as webinars/seminars/panel discussions and workshops to provide interactive platform for knowledge acquisition. We impart the attitude to keep learning, remain updated and readily adopt new developments in technologies and in their subject matter. Our IQAC always encourages the students to participate in several minor projects. Such for instance, in one of the projects, students were trained very advanced method in electrical wiring and winding the quality of samples by measuring its various parameters in Physics and electronics laboratories, in another project they learned the technique for digitalization of specimen museum and instruments further, students are also encouraged to access various readily available e-resources on web portals such as N-LIST, Discussions held during regular classes about the text and references to handle real-time problems and challenges Department of Mathematics It assists students in identifying more problematic areas and also help them in analyzing and finding suitable solutions using basic principles of their subjects applying them to tackle the real life problems conducted by the students were given hands on experience on

accounting software like Tally ERP by the Department of Commerce to understand its application in accounting, stock trading and investments. Hands-on experiments workshop organized by the Department of Zoology include green synthesis of nanoparticles, understanding protein biology using bioinformatics tools and similar training sessions help students to explore the new areas of scientific field. In addition, it fosters the team spirit and leadership among students through group activities and co-curricular activities. One of the objectives of NEP 2020 is the transformation of concepts into practice. Several new initiatives have been taken by the college in this direction: Creating a learner centric environment: focus on students' understanding of the outcomes of the course; facilitating academic and research as well as problem solving skills-based discussions, are regularly held in the class. Mentoring and continuous assessment of learners: Mentor-mentee meetings are conducted on regular basis to address several problems of students. Encouraging the students for their application of knowledge for obtaining suitable solutions: Students were sensitized towards the maintenance of sustainable environmental harmony through the classes taken as a part of their curriculum under Environmental Science, Water Resource Management. Focuses on Outcome based education (OBE)

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Our institution has an exclusive mechanism to review the Teaching Learning process, structure and methodologies of operations and learning outcomes at tri-quarterly meetings through IQAC set up as per the norms in vogue. Usually there are four quarterly meetings on regularly basis for every three months to review academics and administrative affairs towards establishing a healthy practice to sustain the quality policy and the student-centric Teaching Learning Methodology for excellent student progression and placement probabilities. The periodical review carried out by the IQAC meetings are intended to check the overall result analysis and to check the status of the planned goals and also to record the achievements of IQAC. Our college has the excellent record of student progression by way of our students getting PG Course Admissions in state, Central universities and IITs and NITs too. They also enter into professional courses like B.Ed, B.PED, LL.B MBA , MCA etc. of state and national level Many among the students sought admission in Foreign Universities for their higher studies institutions. The competitive exam cell of the college gives free coaching to the students to prepare for various competitive exams. Finally, students, after graduating from the college, become the responsible citizens of the country

## **INSTITUTIONAL VALUES AND BEST PRACTICES**

### **7.1 - Institutional Values and Social Responsibilities**

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

**We are organising various programs for the girl students to create awareness among them**

- Awareness was created regarding the ill effect of female foeticide and female infanticide.**

- Protection of women from Domestic Violence.
- Importance of female literacy.
- Importance of Media in the process of Gender equality.

Facilities for women in campus.

Common rooms are provided for the girl students with dispensing and Incinerator facility.

A very strong Discipline committee is in force, with Principal, Heads of the department and faculty. It enforces discipline under all circumstances.

The college is always under CCTV surveillance, monitored constantly by the principal and Physical directors.

Grievance and redressal cell resolves all the grievances in the campus.

Anti-ragging committee, discipline committee, Physical directors and women empowerment cell, together prevent ragging in the campus.

Women empowerment cell enhances the empowerment skills and coordinates various activities for self employment. Safety counselling and self defence classes too are being conducted.

Women Protection Cell has all female faculty and girl representatives as members. They address routine problems and prevent it from becoming big issues.

Day care centre for the children of employees enables them to work without any hesitancy.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The college is situated in Hanumakonda district headquarters having a very good connectivity in roads as well as railway network. It is one of the most sought after colleges in the surroundings. The presence of attached hostels to the college also plays a decisive role in the minds of the parents to choose the college. Ambitious students with different cultural, linguistic, religious, regional, social status have been opting for this college. This itself stands testimony to the fact that the inclusive environment in the college has been playing a pivotal role in ensuring the students to join the college.

The college has prescribed dress code, still religious sentiments are being respected and we don't insist upon other religious students to adhere to the dress code. Traditional day is being celebrated to encourage a sense of belonging to all the students. Different festivals are being celebrated in the campus and everyone enjoys the speciality of those festivals.
