Student Feedback:

I am **Bolle Sailaja** of Class B.SC maths; I felt the session is so useful to all of us as it was related to personal hygiene which has to be maintained more importantly in today's busy schedules.

I am **Vainala Dhanalaxmi** of Class MStCs we are thankful to the organizer that they have conducted a program which creates awareness regarding so many hygienic issues which we are not taught even at our places. It is very useful to us.

I am **B Shanthi Priya** of Class B.Com thank you for making us understanding scientific complications to be faced if hygiene is not maintained properly with good health.

Report on Anger Management (Life Skills)

The goal of Anger Management is to reduce both emotional feelings and the physiological arousal that anger causes. One can't get rid of, or avoid, the things or the people that enrage, nor one can change them, but can learn to control the reactions.

There are psychological tests that measure the intensity of angry feelings, how angry one are, and how well one handles it. Research has found that family background plays an important role, where people who are easily angered come from families that are disruptive, chaotic, and not skilled at emotional communications.

Vaagdevi Degree & PG College organized one day session (18th February 2020) on "Anger Management" to B.Com and BSC Final year students. Thoutam Umesh Garu, NLP Trainer, explained what are the factors affected that make angry and what are the strategies to keep anger at bay, and what are the techniques used to calm down angry feelings. Principal Dr. A.Seshachalam and Sri. C. Dattatreylu, Head Dept. of Commerce & Business Management and other HOD'S has attended the Programme.

Report on Yoga & Health

Yoga is an ancient and complex practice, rooted in Indian philosophy. It began as a spiritual practice but has become popular as a way of promoting and mental well being. Yoga may help improve general wellness by relieving stress, supporting good health habits, and improving mental/emotional health, sleep, and balance. It helps people who are overweight or obese lose weight, help people quit smoking, help people manage anxiety or depressive symptoms associated with difficult life situations, relieve menopause symptoms, help people with chronic diseases manage their symptoms and improve their quality of life. Studies have suggested possible benefits of yoga for several aspects of wellness, including stress management, mental emotional health, promoting healthy eating /activity habits, sleep, and balance.

For the sake of UG & PG Students of Vaagdevi Degree & PG College, Management has taken a initiation to conduct a One day session about “Yoga & Health” On 20th September, 2018. Mr. Thumula Vijender , Yoga Guru, addressed the session and gave a health tips to students and motivated them and conveyed the importance of making yoga an integral part of our daily life by extending the practice of yoga beyond the mat. In this session Dr. P. Sugunakar Reddy acted as President and Mr. M.Venugopal, Senior faculty of Commerce & Business Management and other staff members has participated. The session was very refreshing, reviving and relaxing.

REPORT ON YOGA ORIENTATION

Yoga means to join or “yoke” together the mind, body and spirit. The aim of Yoga for health is to bring balance into the body physically, mentally and emotionally. Yoga is an ancient practice that builds strength and awareness and brings together the mind and body. It includes breathing exercises, meditation and asanas or poses that stretch and flex various muscle groups. These asanas are designed to encourage relaxation and reduce stress. Apart from physical benefits, the incorporation of meditation and breathing yoga practices can help improve mental well-being. Practicing yoga regularly creates mental clarity and calmness, increase awareness, relieve chronic stress, relax mind and dramatically improve concentration.

For the sake of UG & PG students the college has organized the “Yoga Orientation program” on 19th August to 29th August, 2016 (10days) daily from 6.00am to 7.00am. Janga Gopalreddy garu, Yoga Guru inaugurated the camp and taught Asanas and Pranayamas to students for Ten days. Principal Dr. A.Seshachalam garu, Dr.G.Rajaprasad garu HOD of Physics, M.Venugopal garu, Senior Faculty in Commerce and Business Management has attended this programme.
