Activity details:

The committee initiated to organize a program to create awareness regarding gender sensitization with volunteers of the committee.

The students were asked to highlight the Challenges faced by women in 21st century.

A few of the issues were highlighted regarding Girlchild like

- Infanticide is the killing of the child within a year of birth. This is mainly because the female baby is not given the respect due to her.
- Child marriage is performed as they believe that a daughter is a burden to the family. So they try to relieve that burden by marrying her at an early age.
- Women's health is of paramount importance. However it is something which is being given the least importance. Only a healthy person can perform the routine duties and ensure that the family remains too remains nutritionally complete.
- Girl education is something which cannot be neglected as there is always a family who is dependent upon the girl. Only a educated mother can ensure scientific diet to a family in ensuring the nutritional requirements to be fulfilled.
- Gender issues are common phenomena seen even in educated families.
- Beti bachao is a slogan mainly to ensure that the female fetus and the children are able to survive due to creation of awareness among the parents.
- Problems of females at work place were debated and discussed. This is something which females have to be careful about.
- Signatures were collected from visitors.
